Counter + PROACT PHARMACY BENEFIT MANAGEMENT

Medication Prior Authorizations made easy with Counter Health

Counter works directly with your ProAct pharmacy insurance and pharmacy to ensure your PA process is as smooth and efficient as possible. We also keep you updated every step of the way.

How Counter Helps

Continuous monitoring

Counter continuously monitors your PA-required medications for any changes.

Receive timely updates

Counter sends you updates via SMS & email so it's always clear where your PA stands.

Find ways to expedite

Counter lets you know when action is required that can expedite your PA.

See when you're approved

Counter notifies you when your PA is approved and your medication is available.

You're invited to sign up and start tracking your PAs today!
